## **In The Zone March 2024**

### **Hello Zone 7**

I just returned from the PCA Winter National Meeting. That includes lots of meetings, discussions, information sharing and bonding. What an incredible volunteer group we belong to, I will be sharing information with your Region Presidents and meeting attendees at the Zone 7 Presidents Meeting in the beginning of March. Porsche Club of America is and continues to be the world's largest single marque car club. Now at over 160 THOUSAND Primary and Co-Members. Over 1200 Test Drive members & over 6000 PCA Juniors. Zone 7 continues to grow with all the 10 Regions, totaling over 11 thousand members. How exciting to be a unique part in something so special.

March brings SPRING ...The events listed below are plentiful.

The Zone autocross schedule is listed as is the Concours schedule (just about finalized, see notes). There are teams of Chairs and volunteers making all these events come together. Please come out and join the fun.

It is a good problem to have, that there may be some overlap now and then but there are only so many days in the year and SO much to do. I have said it before "There is no reason to be bored in any Region or in Zone 7".

Please click on the full article for ALL the information

How does your calendar look?

See you at an event SOON!

Brian
